## *Wildlife Specialists, LLC*

Keeping track of your natural resources and assets is key to having an efficiently run organization. Taking advantage of GIS and all its capabilities can set you on the right path. Whether you are a beginner or a well fitted GIS user, Wildlife Specialists can assist you in your GIS goals.

### **Take advantage of RENT-A-GIS!**

Many times the cost of implementing a GIS is too high. That's where Wildlife Specialists can offer our GIS Rental program. This way you get your GIS work done without the large investment!

We can provide you with constant or as-needed GIS/GPS service, or just for a particular job that you need to get done.

You can rent our staff and equipment, (onsite or remotely) for data collection, data acquisition, data analysis, storing and managing a GIS for you, and much more.

We have already made the investment so you don't have to!
